

HIGHWAY 14 REGIONAL WATER SERVICES COMMISSION

POLICY AND PROCEDURE HANDBOOK

OPERATIONAL

POLICY: Line Capacity

Policy OP 1.02

POLICY STATEMENT

Highway 14 Regional Water Services Commission provides treated water through regional water pipeline system that supplies communities along Highway 14 with water treated by EPCOR in the City of Edmonton. While the pipeline makes water available where it otherwise would not be, the system also has limitations.

PROCEDURES

The system is designed for a maximum volume for commercial/industrial customers usage of up to 10 cubic metres per day or 300 cubic metres per month.

For Capacity above this the customer shall contact the Commission Office
